NEXTECH

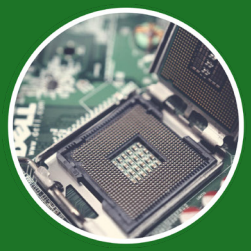

Your Source for Advanced Technology Solutions..

ABOUT NEXTECH

Nextech is a 25 year old Leading Indian Distributor of highly project focused & design win Business model with State-of-the-art-of high end technology-World Renewed Suppliers of Electronic Components, Semiconductors , Fibre Optical Active & Passive Components , Network Performance Monitoring & Diagnostic tools, Ethernet and USB Analysers and Multi Protocol Analysers.

25 YEARS ANNIVERSARY

NEXTECH BUSINESS UNITS

Electronic Components (BU)

Network Tools (BU)

Electric Vehicle (BU)

Optical Products (BU)

WHY NEXTECH?

- Leading Distributor in Electronic, EV, Fiber Optic Components & Network Tools
- 100+ advanced product lines serving 500+ Indian companies
- Free samples available for Electronic, EV & Fiber Optic products
- Small quantity shipments in INR & USD
- Competitive pricing & short lead times for bulk orders
- Fully equipped office & warehouse in Hong Kong

ELECTRONIC COMPONENTS BUSINESS UNIT

PRODUCTS

- AC and DC Loads
- AC-DC Fans & Blowers
- Air Compressors
- Battery Chargers All types
- Battery Packs
- Cells - All types
- Connectors / Cables / Terminals / Terminal Blocks
- Electrolyte Capacitors
- EMC /EMI Filters
- Fiber Optical Products - Active and Passive
- Fuses - All types
- Heat Sinks
- LCDs & Displays
- LEDs and LED Drivers
- Micro Controllers
- MOSFETS and MOSFET Drivers
- Passive Components
- PCB's & PCBA
- Power Management IC's
- Power Supplies AC and DC , Power Adapters
- Protection Devices Fuses/NTC/PTC
- Quartz Crystal / Clock Oscillator / TCXO
- Relays / Switches/ Transducers
- Semiconductors and IC's
- Semiconductor Discrets
- Sensors All types
- Touch Panels and Touch Sreens
- Transformers/ Inductors/ Ferrite Beads/ Coils

NETWORK TOOLS BUSINESS UNIT

PRODUCTS

- 10Gbit & 100BASE T1 Ethernet LAN Analysers
- Affordable Network Analysis and Troubleshooting Solutions
- CAN FD / CAN / CXPI / LIN Analysers
- Current Loop Communication Analysers
- Excellent Network Traffic Capture and Analysis Tools
- Excellent Price/ Performance Ratio Networking Tools
- Network Tools for 1G, 10G, 40G, 100G, 200G, and 400G Analysis
- Real-time Packet (P-Cap) Analysers
- RS-232C/RS-422/ RS-485 Analysers
- State-of-the-art Network Diagnostic Tools
- TTL/I2C/SPI Analysers
- World's fastest L2-to-L7 Packet Analysers

SUPPLIERS

LINEEYE CO., LTD.

ELECTRIC VEHICLE BUSINESS UNIT

PRODUCTS

- EV batteries & battery Packs
- EV Battery Management Systems
- EV Charging Solutions
- EV Connectors
- EV Controllers
- EV DC - DC Converters
- EV Displays
- EV EMI Filters
- EV Fans
- EV Four - Wheeler CCS2 Charging Connector Guns & Inlet Connectors
- EV Fuses
- EV Motors
- EV On Board Chargers
- EV Passive Components
- EV Rectifiers
- EV Relay
- EV Semi Conductors
- EV Three - Wheeler Charging Guns and Inlet Connectors
- EV Two - Wheeler Charging guns And Inlet Connectors
- EV Battery Connectors

OPTICAL BUSINESS UNIT

PRODUCTS

- Active Optical Cables (AOC)
- Coherent Analog & Digital Transceivers
- Copper Transceivers
- Direct Attach Cables (DOC)
- Dispersion Compensation Modules (DC)
- Dispersion Emulation Modules (DEM)
- FBG Interrogators
- FBG Sensors
- FBT Couplers
- Fiber Optic Connectors
- Fiber Optic Switches
- Fibre Optical Transceivers
- Mux & De-mux
- Optical Amplifiers
- Optical Fiber Monitor (OFM)
- Optical Layer Monitor
- Optical Test & Measurement Tools
- Patch Cords Splitters
- RF Over Fiber Transceivers
- ROADMs and WSS
- Variable Attenuators
- Video Transceivers
- WDM / OTDR
- OCM / UOA

ADVANCED DATA CENTER SOLUTIONS

1. Advanced Data Center Solutions

- Cables: DAC & AOC (10G–800G)
- Transceivers: 1.25G–3.2T, all form factors (QSFP, SFP, GPON, etc.), compatible with Cisco, Juniper, HP, Dell, and more.
- Passive Components: CWDM/DWDM MUX, MPO / MTP fiber patch cables, and more.

2. Data Center Design Services

- Site surveys & customized floor plans
- 2D/3D BIM modeling for precise implementation
- Preconfigured cabinet solutions for seamless deployment

3. AI Data Center Solutions

(100% NVIDIA Compatible)

- High-density optical patch panels (up to 864 MTP fibers per rack unit)
- Ultra-low-loss performance for 400G/800G applications
- Seamless NVIDIA integration with transceivers, DAC & AOC cables

4. Network Monitoring with Allegro Packets

- Real-time network performance monitoring & packet analysis (1–400Gbps)
- Instant insights with 1-click PCAP extraction & 100+ protocol analyses
- Store & analyze historical data with scalable storage options

Key Benefits of Partnering with Nextech

- One-Stop Shop
- Broad Portfolio
- Quick Turnaround
- Cost Savings
